ACTION

THE TIMELESS FLOORING
THE FLOORING SOLUTION FOR AEROBIC AND GROUP CLASSES

PaviFLEX
GYM FLOORING

THE BEST SOLUTION FOR SUPERVISED ACTIVITIES

ACTION by PaviFLEX has been developed specifically for group classes such as Aerobic, Zumba, Bodypump and any other that requires a specific grip with exceptional cushioning and unmatched resistance and durability.

COMBINED COMPOSITION OF AIR AND COMPACT VIRGIN RUBBER, WITH AN UNEQUALED ELASTICITY

A surface resistant to fitness equipment marks (steps, dumbbells, etc.) supported by an expanded rubber base composed of millions of air bubbles to provide the best performance, with elastic properties that maximize shock absorption during the performance of any group activity.

OPTIMAL BALANCED TRACTION

The surface of ACTION by PaviFLEX provides a perfect balance for the traction of the athletes, an exceptional balance when performing aerobic exercises to neither slide nor sudden braking.

COMFORTABLE AS A CLOUD, FIRM AS WOOD.

When training on ACTION by PaviFLEX, you feel a sense of comfort without equal and, at the same time, a sense of security in the performance of all the exercises.

EASY TO INSTALL, NO GLUING REQUIRED.

ACTION by PaviFLEX is presented in four-sided puzzle tiles that join on any plain and solid surface without the need of glue. The cutting of the tiles in-house with new automatic machines guarantees the perfection of the puzzle interlocking.

WATERPROOF AND VERY EASY TO CLEAN.

Water and neutral soap, it's that simple. PaviFLEX products are waterproof and do not absorb sweat, so they are so easy to maintain with a regular cleaning, just using standard non-abrasive cleaning products that can be found in any supermarket.

ENDLESS OPTIONS.

We not only customize the floor with any logo or marking you wish, we also manufacture the color you want if you do not find it in our extensive color chart*
